

Community Education & Professional Training

Education is one of the most effective tools for preventing exploitation and strengthening communities.

Our survivor leaders and lived-experience experts provide engaging, trauma-informed presentations for:

- Community organizations
- Nonprofit organizations
- Faith-based organizations
- Schools
- Libraries
- Government agencies
- Businesses
- Conferences

Each presentation is customized to meet the needs of your audience while centering survivor voices and practical solutions.

Presentation Topics

- Human Trafficking Awareness
- Financial Exploitation
- Economic Empowerment
- Survivor Leadership
- Trauma-Informed Financial Recovery
- The Debt Bondage Repair Act
- Survivor-Centered Advocacy
