

University Speaking Engagements

Our survivor leaders bring firsthand experience and professional expertise to colleges and universities across the country.

Speaking engagements are available for:

- Social Work Programs
- Counseling
- Law Schools
- Public Policy
- Psychology
- Criminal Justice Programs
- Nursing
- Public Health
- Nonprofit Leadership
- Student Organizations

Students and faculty gain valuable insight into the long-term financial impact of trafficking, survivor-centered advocacy, financial exploitation, and pathways to economic empowerment.
